

St Mary Magdalen Church Flower Rota December 2017-18

Thank you for your sterling efforts over a period of time when we were reduced to 3 people.

Well done to all of us for keeping the church alive with our floral decorations.

If you prefer to make 2 arrangements, do feel free to do this and if you prefer one arrangement under the altar, please ensure that the cross is visible.

Please let me have any receipts you may have from purchases of flowers.

On Monday 4th Dec at 6pm, I will be in the church preparing for the children's carol service. There will be 4 small arrangements in the middle of the church on the window sills. Please feel free to join me or you may wish to take home a container and oasis and bring back on Sunday 3rd and leave at the back of the church.

We will meet on Saturday 23rd December at 10.30 a.m to do the flowers for Christmas. If you know of anyone else who would like to come and join the team, do please let them know the date.
