

**St Mary Magdalen Church Flower Rota April to September 2019.**

After the Lent break we return to decorating the church and it will be great to see the church with fresh flowers again.

It always attracts positive attention. Please note the special arrangements required for Holy Communion and my re-organisation of the rota to take account of this. Parents have given a generous contribution towards this.

Well done to all of us for keeping the church alive with our floral decorations.

If you prefer to make 2 arrangements, do feel free to do this and if you prefer one arrangement under the alter, please ensure that the cross is visible.

Please let me have any receipts you may have from purchases of flowers

Saturday 20<sup>th</sup> April Preparation for Easter. There is no Mass on this day so we can make an early start. I will be in the church from 0800 to begin arranging the flowers.

Please bring yellow verigated foliage if you have any.

If there are any weddings over the coming months, I will let you know.
